2.6.1 Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

In our institution the evaluation of attainment of programme outcomes, programmes specific outcomes and course outcome is transparent . Every department discuss about attainment of POs, PSOs and COs in departmental meetings. In that specific planning is carried out for the implementation of various department activities, Such as class tests, question answers, seminars, internal assignments etc. According to planned activities teaching plan is prepared. Every faculty checks the attainment of COs through discussion in class through question answers. For each paper two unit tests are conducted and seminar presentation by students is also evaluated. Course outcomes are also evaluated by giving home assignments to students.

Institution evaluates the attainment of programme outcomes through alumni meet. Here alumni talks about their own career, their present status in society and about their further study. Through such meetings we come to know that many of our alumni are taking further education. They are doing well in their respective fields /career. Many of them are doing research after post graduation. Some are appearing for competitive examinations. After completion of B.A. Home-science programme, girl students are capable of managing their homes scientifically. Institution offers two UG programmes i.e. B.A. and B. Lib., and PG programme i.e. M. Lib.

The Program Outcomes (POs)

Program Outcomes of B.A. Programmes

In our institution the evaluation of attainment of programme outcomes, programmes specific outcomes and course outcome is transparent. Every department discuss about attainment of POs and COs in departmental meetings. In that specific planning is carried out for the implementation of various department activities, Such as class tests, question answers, seminars, internal assignments etc. According to planned activities teaching plan is prepared. Every faculty checks the attainment of COs through discussion in class through question answers. For each paper two unit tests are conducted and seminar presentation by students is also evaluated. Course outcomes are also evaluated by giving home assignments to students. To promote the students, prizes are also given to the students standing first in each subject by concerned teachers a by and the college. Attainment of course outcomes is also evaluated through practical work such as field visit, case study, preparation of models, and practical record books.

Institution evaluates the attainment of programme outcomes through alumni meet. College conducts alumni meet every year and all alumni are invited for this meeting. Here alumni talks about their own career, their present status in society and about their further study. Through such meetings we come to know that many of our alumni are taking further education. They are doing well in their respective fields /career. They have become a considerate human being having sound knowledge of politics and society. Many of them are doing research after post graduation. Some are appearing for competitive examinations. After completion of B.A. Home-science programme, girl students are capable of managing their homes scientifically. Institution offers two UG programmes i.e. B.A. and B. Lib., and one PG programme i.e. M. Lib.
